

Newport Mansions Fall Foliage Pharmacology CPC Review

September 30, 2018

The Hotel Viking

Newport, Rhode Island

COURSE DESCRIPTION

The time has arrived to prepare for the CPC modules and exam. Everyone's recertification cycle is in full swing! We have developed a pharmacology review course to prepare you to be successful, and offer it in a low-stress environment that is designed to be productive and rewarding.

Do you want to be prepared for the "Advanced Clinical Pharmacology" Module and CPC Exam?

Seeking a refresher course that follows the NBCRNA guidelines?

Do you prefer to learn in an environment conducive to learning?

Searching for the ideal location?

If you answered "yes" to any of these questions, then our review course is for you. This course is offered in an environment that is energizing and engaging to enhance constructive learning.

The enthusiastic positive energy generated from the faculty creates a productive and focused educational experience. To strengthen our program, we use a multi-media academic format to enhance communication and a learning experience that follows the NBCRNA guidelines.

This program has been prior approved by the American Association of Nurse Anesthetists for 8.00 Class A CE credits; Code Number 1035791; Expiration Date 9/30/2018. The AANA designates this program as meeting the criteria for up to 8.00 CE Credits in pharmacology/therapeutics.

**Relevancy of Topics to
CPC Core Modules
which are linked to the future
CPC Examination**

HPP = Human Physiology and Pathophysiology

AET = Anesthesia Equipment and Technology
