LY = Lyme Disease

FACULTY

Chuck Reese, PhD, CRNA

Dr. Reese's research interests center on clinical applications of regional anesthesia. Dr. Reese has had a career-long interest in teaching regional anesthesia which has resulted in the presentation of more than three-hundred professional papers at Continuing Education seminars, conventions, and workshops nationally and internationally. He has published numerous professional papers and, as a member of the AANA's original Ad Hoc Committee on Regional Anesthesia, helped develop and currently serves on the core faculty of a series of post-graduate clinical workshops which offer didactic review and "hands-on" practical application of Spinal, Epidural, and Upper Extremity techniques and Obstetric review. He is the author/editor of a series of monographs for the AANA Research Foundation. Two monographs (Blocks of the Upper Extremity and Spinal/Epidural Techniques) have been published to date. The Spinal/Epidural manual is in its third edition.
